# Molweni

Singama gciwane igama losapho

Iwethu yi

Korona.....Intsholongwane yeKorona

HE HE HE!

Sina bazala abaninzi, sinengcwangu,  
senza wonke umntu azive ene  
ngcwangu (:  
Ubukhe weva ngathi?

Ngubani osukhe weva ngaye mva nje?

# Sikwenza uzive njani?

Wonwabile

Unomsindo

Ulusizi

Udidekile

Unomdla

Ukhathazekile

Siya kuthanda ukutyelela.  
Siqale e China, ngoku sikwindawo  
yonke.

Siphantse sifane nomhlaba jikelele  
kwintsuku ezingama 80

Sithanda ukubamba izandla

Sithanda ukubamba amehlo

Sithanda ukubamba impumlo

Sithanda ukuzi  
xhoma nxa zonke  
xa uthimla naxa  
ukhohlela

Ngoku uyazi, ndithanda ukutyelela,  
ndithanda ukuhlala kwalapha,  
ndithanda ukwenza abantu babe  
nengcwangu.

Xa ndizokutyelela, ndiphatha u.....

Ukuba ukhathazekile, Khululeka!  
Zikhona izinto endinga zithandiyo.

Enye yazo yi **DocDo**

Molweni, ndi ngu DocDo ndiza  
kuchazela ngezinto uKovid19  
angazithandiyo, kodwa ....

**Ungamvumeli ave u Kovid ... shhhh**

Kovid akathandi uba ndiku xeleele  
kodwa ndiza kuxeleele nawe  
uxeleele nabanye, kulungile.....!  
uKovid akathandi xa...

1. Hlamba izandla  
imizuzwana  
engama 20  
ngesepha okanye  
isanitizer

2. Thimlela okanye  
ukhohlelele kwi  
phepha lokufinya  
okanye kwingqiniba

3. Hlala ekhaya xa  
uziva ugula unga  
dibani nezihlobo ude  
uchache.

5. Nxiba isigqubuthelo  
xa ugula.

4. Coca indawo yakho  
yokusebenzela noku dlala  
rhoqo nge sibulala-  
ntsholongwane

Ngoku xa usenza konke  u DocDo  
akuxelele  kona  
uKovid-19 angakundwendela  
kodwa u Kovid no sapho  
Iwe ntsholongwane iKorona  
abamkelekanga uba banga hlala!  
Hambisa ilizwi.....

1. Hlamba izandla
2. Suku wabamba amehlo, impumlo no mlomo ngezandla ezinga hlanjwanga
3. Coca yonke indawo ngesi hlambululi
4. Hlala ekhaya xa ugula
5. Nxiba isigqubuthelo xa ugula
